Assurance of Availability of Accessible Alternative Formats

(Share with vendor when requesting the statement about the availability of accessible formats.)

Kentucky has elected to meet the federal National Instructional Materials Accessibility Standards [NIMAS] mandates through participation in the [National Instructional Materials Access Center \(NIMAC\)](http://nimac.us) – <http://nimac.us> in Louisville, Kentucky. With the passage of the [Individuals with Disabilities Education Act \(IDEA\)](#) in 2004, publishers are **required** to submit a NIMAS-conformant file set for basal print instructional resources and related print resources with a **text publication date** after July 2006**. A copy of the certificate of validation of accessibility from NIMAC for the NIMAS files must be submitted to <mailto:kamd2@education.ky.gov>, within **40** days of the signed statement of assurance below.

For print basals and related print resources with a **text publication date** prior to July 2006**, publishers continue to have the option of providing these resources in accessible format in accordance with Accessibility statute [KRS 156.027](#) and regulation [704 KAR 3:455](#). (These files must be approved and accepted by KAMD staff within 60 days of the signed statement of assurance below.) In lieu of submitting files directly to the Kentucky Accessible Materials Database [KAMD] as described in the regulation, a NIMAS-conformant file set may be submitted to NIMAC for validation. A copy of the certificate of validation of accessibility from NIMAC for the NIMAS files must be submitted to <mailto:kamd2@education.ky.gov>, within **40** days of the signed statement of assurance below.

****Text Publication Date [from <http://nimac.us/metadata.html>]**

- This date refers to the date the edition was released to schools or on the market, regardless of its copyright date.
- Use four-digit year for this.
- Often this date will be the same date as copyright date.
